

**Is hosting a Pink Day  
To promote breast cancer awareness  
And to raise funds for the Breast Cancer Research Foundation**

According to breast cancer research:

- Nearly 40,000 women will DIE of breast cancer (2010)
- In her lifetime, 1 in 8 women will be diagnosed with breast cancer
- More than 1300 human genes related to breast cancer have been found
- If diagnosed early enough, breast cancer may be treated successfully

We at South Bay Gardens Nursery invite you to join us in promoting awareness for this worthwhile cause.

We will donate 25% of every retail plant purchase to the Breast Cancer Research Foundation.

BCRF is the only organization to be awarded an "A+" rating by the American Institute of Philanthropy. More than 88 cents of every dollar donated to BCRF go directly to cancer research and awareness programs.

So put on your pink shirts, caps, ribbons, shoes, sox, pants, shorts, hardhats, boots, earrings, nose rings, bandanas, and join us.

There will be a silent auction, at noon, from the donations of our caring partners.

**All day Sunday August 21, 2011  
2501 Manhattan Beach Boulevard, Redondo Beach, CA 90278**

100% of the bracelets, antenna toppers, pins, pens, bandanas, bookmarks, pizza, water, t-shirts, and silent auction proceeds will be donated to BCRF

You can also donate to BCRF from any of our websites:
